

Specialized Services

MOBILE CRISIS RESPONSE TEAM

Mobile Crisis Response Teams provide community-based services that deliver solution-focused and recovery-oriented behavioral health assessments and stabilization of crisis in a safe location that serves the needs of the client.

PROGRAM OF ASSERTIVE COMMUNITY TREATMENT

The PACT team provides most (an average of 75%) of its services to individuals in their homes and other familiar community settings on a 24/7 basis.

HOUSING

The agency has a variety of housing options including transitional apartments, group homes, traditional apartments, and supervised apartments. Services are also available to assist persons experiencing homelessness.

Warren Yazoo Behavioral Health is one of fourteen regional community mental health centers in the state of MS certified by the MS Department of Mental Health.

People can and do recover from mental and substance use disorders. Our services and supports foster individual and family capacity for self-directed recovery.

Behavioral Health

OUTPATIENT SERVICES

Our team of professionals will work with you to develop a wellness plan which may include therapy, support services, as well as diagnosis and medication management by Board Certified Psychiatrists and Nurse Practitioners.

Clinical professionals address many different issues including:

- Depression
- Bipolar
- Attachment Issues
- Trauma
- Anxiety
- Divorce
- ADHD
- Relationship Concerns

Substance Use Treatment

CHEMICAL DEPENDENCY CENTER

The 25-bed co-ed facility located in Vicksburg is for the treatment of alcohol and drug misuse including opioid addiction. The program offers an evidence-based curriculum, Living in Balance and a Twelve Step program. Clients receive individual and group therapy where they learn how to address issues that may have been neglected during addiction.

An array of services are provided to meet individual needs:

- Intensive Outpatient Program
- Transitional Residential
- Recovery Support Services
- Family Education
- Prevention Services
